

**ANNUAL REPORT
FOR THE YEAR 2020
BELFORD NORTH METROPOLITAN DISTRICT**

Pursuant to Section VII of the Service Plan of the Belford North Metropolitan District (“District”) approved by the Town of Parker, Colorado on March 19, 2018, the following report of the District’s activities from January 1, 2020 to December 31, 2020 is hereby submitted.

1. A narrative summary of the progress of the District in implementing its Service Plan for the report year:

During the report year, the District had not yet commenced the construction of public improvements or the provision of services to support the development within the District.

The Development Site has mostly been inactive during the 2020 plan year due to the Corps of Engineers issuing a jurisdictional determination on the Green Acres Tributary (GAT) (which had previously been determined to be non-jurisdictional in 2012). In 2018/2019, the project team worked with the Town of Parker and Mile High Flood District (Mile High) to implement a new program (Cash in Lieu) that Mile High had developed in the previous year. This program allows the developer to enter into an “agreement regarding design, permitting, and construction of fee-in-lieu drainage and flood control improvements” with Mile High. This program transfers the responsibility of the applicant for design, permitting, and construction to the Town of Parker, the design and permitting to the regional drainage authority (Mile High), and the funding by the owner/developer. This provides a positive path forward with the Individual Permitting (IP) of the GAT through the Corps of Engineers. The project team has gone through a Conceptual design process with Mile High & the Town and have approved them to move forward with the Final Design Documents and permitting through the Corps. The schedule received approval of the IP in early fall of 2020. Upon receipt of the IP, the previously planned and approved infrastructure improvement may proceed.

The time frame of infrastructure construction began later in 2020 and is projected to end in 2021.

2. Except when exemption from audit has been granted for the report year under the Local Government Audit Law, the audited financial statements of the District for the report year including a statement of financial condition (i.e., balance sheet) as of December 31 of the report year and the statement of operations (i.e., revenues and expenditures) for the report year:

Attached hereto as **Exhibit A** is the District’s 2020 Audit Extension.

3. Unless disclosed within a separate schedule to the financial statements, a summary of the capital expenditures incurred by the District in development of Public Improvements in the report year, as well as any Public Improvements proposed to be undertaken in the five (5) years following the report year:

Attached hereto as **Exhibit B** is the District's 2021 Budget. The District commenced construction of the Public Improvements as described in the Service Plan in late 2020 and continues into 2021.

4. Unless disclosed within a separate schedule to the financial statements, a summary of the financial obligations of the District at the end of the report year, including the amount of outstanding Debt, the amount and terms of any new Debt issued in the report year, the amount of payment or retirement of existing Debt of the District in the report year, the total assessed valuation of all taxable properties within the District as of January 1 of the report year, and the current mill levy of the District pledged to Debt retirement in the report year:

The District does not have any debt currently outstanding. The Assessed Value for 2020 was \$87,660. There was a mill levy of the District pledged to Debt retirement in the report year of 57.000 mills resulting in revenues of \$4,997.

5. The District's budget for the calendar year in which the annual report is submitted:

Attached hereto as **Exhibit B** is the District's 2021 Budget.

6. A summary of the residential development in the District for the report year:

None has occurred.

7. A summary of all fees, charges and assessments imposed by the District as of January 1 of the report year:

The Board adopted a Resolution imposing development fees consistent with the Service Plan on February 25, 2020. A copy is attached hereto as **Exhibit C**.

8. Certification of the Board that no action, event or condition enumerated in Town Code section 10.11.060 has occurred in the report year, or certification that such event has occurred but that an amendment to the Service Plan that allows such event has been approved by Town Council:

The Board certifies that to the best of its knowledge no action, event or condition in Town Code section 10.11.060 has occurred in 2020.

9. The name, business address and telephone number of each member of the Board and its chief administrative officer and general counsel, together with the date, place and time of the regular meetings of the Board:

**BELFORD NORTH METROPOLITAN DISTRICT
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was formed by order and decree on June 13, 2018 in Douglas County, Colorado, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town Council of the Town of Parker, Colorado. The District's service area is located in the Town of Parker, Douglas County, Colorado.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water and sanitation service, street construction, installation of safety control devices, construction and maintenance of parks and recreation facilities, public transportation, fire protection, television relay and translation system, security services and mosquito control. All public infrastructure is to be owned and maintained by the Town of Parker or adjacent governmental entities.

On May 8, 2018, the District's electors authorized to increase taxes \$31,000,000 annually to pay the operations and administrative costs of the District, without limitation. Debt authorization was approved in the amount of \$310,000,000 for public improvements including streets, water, sanitary sewer, parks and recreation, traffic and safety, mosquito control, public transportation, security, fire protection, and television relay and translation. \$31,000,000 of debt was also authorized for the purpose of refunding debt, operations and maintenance, and intergovernmental agreements.

The First Amended and Restated Service Plan dated October 5, 2020, limits the total principal amount of obligations that the District may have outstanding in aggregate at any one time to \$56,700,000 provided that such limitation shall not be applicable to refunding bonds issued by the District to refund outstanding debt.

The Maximum Debt Mill Levy shall be the maximum mill levy the District is permitted to impose upon the taxable property within the District, and shall be determined as follows: For the portion of any aggregate District Debt which exceeds 50% of the District's assessed valuation, the Maximum Debt Mill Levy for such portion of Debt shall be 57.000 mills less the number of mills necessary to pay unlimited mill levy Debt, subject to the Mill Levy Adjustment. As of October 5, 2020, the Mill Levy Adjustment allows for a Maximum Debt Mill Levy of 57.398 mills.

If, on or after, October 5, 2020, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement, the mill levy may be increased or decreased to reflect such changes.

On October 16, 2020, the District entered into the Master Intergovernmental Agreement (MIGA) with Belford South Metropolitan District (South) in which the districts agree they may undertake on behalf of both districts the construction, acquisition, installation, financing, operations and maintenance of public improvements, and administrative costs necessary to serve the property within both District's service areas.

The District has no employees and all operations and administrative functions are contracted.

**BELFORD NORTH METROPOLITAN DISTRICT
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided (continued)

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

The change in assessment ratio from 7.20% to 7.15% allows the District to adjust its mill levy to offset the decrease in revenues. The District has elected to impose an adjusted mill levy for operations.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 8% of the property taxes collected.

Intergovernmental Revenues

Pursuant to the MIGA, South will remit to the District the net property and specific ownership taxes collected based on South's annual tax collection. South will also remit all development fees collected for capital improvements to the District. These fees are pledged to the repayment of principal and interest on the bonds.

Developer Advance

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from legally available revenue.

**BELFORD NORTH METROPOLITAN DISTRICT
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

Interest Income

Interest earned on the District's available funds has been estimated based on historical interest earned.

Expenditures

Administrative and Operating Expenditures

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, and meeting expense.

Remittance to Town of Parker

On October 5, 2020, the District entered into the First Amended and Restated Intergovernmental Agreement with the Town of Parker in which the District agrees to impose a property tax of 5 mills to be used for the planning, design and construction of the Regional infrastructure and 5 mills for the planning, design, construction and/or maintenance of the Town infrastructure. The amount collected will be remitted to Town of Parker.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt Service

Principal and interest payments are provided based on the debt amortization schedule from the Series 2020A Bonds and Series 2020B Bonds (discussed under Debt and Leases).

Capital Outlay

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

Debt and Leases

On November 2, 2020, the District issued \$22,680,000 in Series 2020A General Obligation Limited Tax Bonds with an interest rate of 5.50%, maturing on December 1, 2050 and \$16,475,000 Series 2020B Subordinate General Obligation Limited Tax Bonds with an interest rate of 8.00%, maturing on December 15, 2050. Proceeds from the Bonds will be used for the purpose of the construction of public infrastructure, funding reserves and capitalized interest, and other costs incurred in connection with the issuance of the bonds.

EXHIBIT C

**RESOLUTION OF THE BOARD OF DIRECTORS OF BELFORD NORTH
METROPOLITAN DISTRICT
REGARDING THE IMPOSITION OF DEVELOPMENT FEES AND NOTICE OF
SYSTEM ACCESS FEES**

WHEREAS, the Board of Directors of the Belford North Metropolitan District finds:

A. Belford North Metropolitan District (the "District") is a quasi-municipal corporation and political subdivision of the State of Colorado.

B. The District was organized pursuant to its service plan approved by the Town of Parker on March 19, 2018 (the "Service Plan").

C. Pursuant to its Service Plan, the District is empowered to plan, design, acquire, construct, install, relocate, redevelop, and finance certain public improvements within and without the boundaries of the District (the "Improvements"), subject to the limitations set forth in the Service Plan.

D. The District is authorized pursuant to Section 32-1-1001(1)(j)(I), C.R.S., to fix fees and charges for services or facilities the District provides.

E. Pursuant to its Service Plan, the District is authorized to collect a one-time development or system development fee imposed by the District on a per unit (residential) or per SFE (non-residential) basis at or prior to the issuance of a certificate of occupancy for any unit or structure to assist with the planning and development of the Improvements (the "Development Fee(s)").

F. The District is authorized to utilize revenue from the Development Fee for costs associated with capital improvement costs and/or to pledge the same for the repayment of principal and interest on bonds.

G. The property currently within the boundaries of the District is described in Exhibit A, attached hereto and incorporated herein by this reference (the "Property"), which legal description may be amended from time to time, pursuant to the inclusion and/or exclusion of property into or from the District.

H. As set forth in the Service Plan, it is anticipated that property within the District will receive water and wastewater service from Stonegate Village Metropolitan District ("SVMD") and will be subject to a System Access Fee ("System Access Fee"), which System Access Fee has been established by and is payable to SVMD for water and wastewater system capital improvement costs.

I. This Resolution will be recorded on the Property in the public records of the Douglas County Clerk and Recorder to put property owners on notice of the imposition of the Development Fee by the District and the System Access Fees payable to SVMD.

NOW, THEREFORE, be it resolved by the Board of Directors of the Belford North Metropolitan District (the "Board") as follows:

1. The Board hereby finds, determines, and declares that it is in the best interests of the District, its inhabitants and taxpayers to exercise its power to impose a Development Fee on the Property.

2. The District hereby imposes the Development Fee on the Property to finance, plan, acquire, and construct the Improvements, and pay debt service.

3. The rate of the Development Fee shall be as follows:

(a) For each single-family detached or attached residential unit, the Development Fee shall be Twenty-Five Thousand Dollars (\$25,000);

(b) For each multi-family residential unit, the Development Fee shall be Twenty Thousand Dollars (\$20,000); and

(c) For uses other than a single-family or multi-family residential structure, the Development Fee shall be Twenty-Five Thousand Dollars (\$25,000) per single family equivalent (SFE) of water and/or wastewater demand.

4. The Development Fee with respect to any portion of the Property shall be due and payable prior to issuance of a certificate of occupancy for any applicable unit or structure.

5. The District can, in its discretion, increase the Development Fee by up to the Consumer Price Index for Denver-Boulder, all items, all urban consumers (or its successor index for any years for which the Consumer Price Index is not available) each year thereafter commencing January 1, 2019.

6. Any unpaid Development Fee(s) shall constitute a statutory and perpetual charge and lien upon the applicable structure or unit pursuant to Section 32-1-1001(1)(j), C.R.S., from the date the same becomes due and payable until the date the Development Fee(s) is/are paid. The lien shall be perpetual in nature on the applicable structure or unit and shall run with the land, as defined by the laws of the State of Colorado. Such lien may be foreclosed by the District in the same manner as provided by the laws of the State of Colorado for the foreclosure of mechanics' liens. This Resolution shall be recorded in the real property records of the Clerk and Recorder of Douglas County, Colorado.

7. Failure to make payment of the Development Fee(s) due hereunder shall constitute a default in the payment of such Development Fee(s). Upon a default, interest shall accrue on the delinquent Development Fee(s) from the date due at the simple rate of eighteen percent (18%) per annum until paid. The District shall be entitled to enforce such remedies and

collection proceedings as may be authorized under Colorado law including, but not limited to, foreclosure of its perpetual lien. The defaulting property owner shall pay all costs, including attorneys' fees, incurred by the District in connection with the foregoing. In foreclosing its lien, the District will enforce the lien only to the extent necessary to collect the delinquent Development Fee(s) and costs.

8. Judicial invalidation of any of the provisions of this Resolution or of any paragraph, sentence, clause, phrase or word herein, or the application thereof in any given circumstances, shall not affect the validity of the remainder of this Resolution, unless such invalidation would act to destroy the intent or essence of this Resolution.

9. The Development Fee set forth herein is hereby approved and adopted by Resolution of the Board of Directors of the Belford North Metropolitan District effective as of the 25th day of February, 2020.

District Policy

Pursuant to the Colorado Open Records Act Resolution, which was adopted by the Belford North Metropolitan District Board of Directors, the District's Official Custodian is authorized to impose the maximum fees set forth in Section 24-72-205 (6), C.R.S., as amended from time to time, for all costs incurred on the research and retrieval of public records requested under the Colorado Open Records Act. Copies, printouts, and/or photographs of public records in a format other than a standard page will be charged at actual cost. All requests for copies or inspection of public records must be submitted in writing to the Official Custodian. Upon receipt of a written request, the Official Custodian shall notify the requester if the records are readily available for inspection. If the records are in active use, in storage, or are otherwise not readily available at the time of the request, the Official Custodian shall set a date and time within three (3) working days of the request when such records will be available. If extenuating circumstances exist, then the Official Custodian shall notify the requester of this fact in writing within the initial three (3) working day-period and shall make the records available within seven (7) working days thereafter. Inspections of public records shall take place during regular business hours at the office of the Official Custodian and may not preempt or take priority over previously scheduled official District-related business activities. Copies of public records will be delivered by the Official Custodian to the requester via United States mail, other delivery service, or facsimile only upon receipt of payment for all costs associated with records transmission, or upon making arrangements for receiving payment, unless recovery of all or any portion of such costs or fees has been waived by the Official Custodian. The District may not charge any transmission fees for records delivered via electronic mail. Upon receiving payment or making arrangements for payment, the Official Custodian shall send the records to the requester as soon as practicable, but not more than three (3) working days after receipt of such payment.
